How to Make a Reservation at The Bluebird Café

We take reservations online – find the link at www.bluebirdcafe.com. New shows go on sale at 8:00 am online and stay on sale until 4:30 pm the day of show.

If you don't have internet access, we are happy to make reservations for you by phone. Please call us between 11:00 am and 4:30 pm Monday - Friday at (615) 383-1461. To make a weekday reservation, you can call one week in advance (Tuesday for next Tuesday's show, Wednesday for next Wednesday). For Friday and Saturday reservations, call Monday of the week of the shows, starting at noon. Please have your credit card ready, we will need it to hold your reservation.

Large parties (12 or more people) should be booked at least one week in advance. Otherwise, we may not be able to accommodate your request. Since we have a limited kitchen and staff, we do implement special pricing and limited menus for large groups. Plus, all large party tabs will be tallied and paid in one transaction. If you will e-mail Jaime at: lobluebird@aol.com with the following information she will give you a call back as early as possible: the name and phone number of the contact person, the night you are interested in and the 6:00 or 9:00 show, what type of group this is (family, business, fans, etc.), and the size of the group. **DO NOT** use this e-mail for any purpose other than large party inquiries and follow-up!! You **MAY NOT** send an e-mail to cancel a reservation - your request will not be honored. You must talk to a live person in order to alter or cancel an existing reservation.
