 Space is limited and pre-registration is required!

Camp Forget-Me-Not is a day camp created to meet the special needs of children ages 6-14 who are grieving the death of a friend or family member. In small peer groups, we encourage campers to safely express their feelings and learn about grief. Trained professionals and volunteers will walk beside them as they take these healing steps in their journey through grief. The children will participate in other fun and enriching activities such as sports, arts and crafts and a petting zoo.
