TEEN RETREAT

FOR GRIEVING TEENS

OCTOBER 14TH-16TH
2011

Overnight weekend retreat to be held
at Camp Youth Incorporated in La Vergne, TN.

ALIVE TEEN RETREAT is an overnight weekend retreat for high school students. In small peer groups, we encourage teens to safely share their grief experiences, express their feelings, and learn about grief in the lives of teenagers. Teens may participate in a variety of outdoor activities and challenges including team building, camp fires, high ropes course, climbing tower, canoeing, and zipline. These activities will allow them to connect with one another and help them build skills to cope with the loss in their lives. Alive Teen Retreat will offer a balance of fun, challenges, and self-discovery. Trained professionals and volunteers will walk beside them as they take these healing steps in their journey through grief.
