Story Hour (Virtual)

In a fast-paced world, it can feel like our friends and family grow weary of hearing us talk about our loved ones. Yet, we know that telling stories of their life, instead of focusing on their death, can bring great comfort to the bereaved. Story Hour provides a casual, safe space to share stories about your loved one without judgment or time limits. We invite participants to bring a different keepsake or photograph to each session and share the story of its significance with others who have also experienced loss.
